DO YOUR BEST - HAVE FUN DOING IT

The best way to find out what you do best is to do it. Catch a fish. Ride a bike. Set up a tent. Build a Pinewood Derby® car. Shoot a bow and arrow. Cub Scouting offers your child the opportunity to see and experience new things, while learning life lessons that will help them in the future.

FAMILY FOCUSED - VALUE DRIVEN

Cub Scouting is a year-round program designed to meet the needs of Kindergarten through Fifth grade boys and girls and their families. The program offers fun and challenging activities that promote character development and physical fitness. Cub Scouting helps parents make the most of the time they have to impact the lives of their children. Family involvement is an essential part of the program, where parents are encouraged to play an active role.

FUN ADVENTURES - OVERCOME OBSTACLES

Cub Scouts are at that magical age where everything is new and possible and, most important, fun. They build things, play with purpose, make friends, and work together. The life lessons learned here will help your child form a foundation to embrace opportunity and overcome obstacles, as they embark on fun adventures.

SCOUTING WORKS - SKILLS FOR THE FUTURE

In Cub Scouting, boys and girls start with their best right now selves and grow into their very best future selves. With fun adventures and new discoveries at every turn, Scouting makes the most of right now, while building skills your child will use in the future!

Adults who were in Scouting as a youth say the program...

- Made them a more honest person
- Helped them achieve their careers goals
- Taught them how to be better leaders

Existing Fire Ring

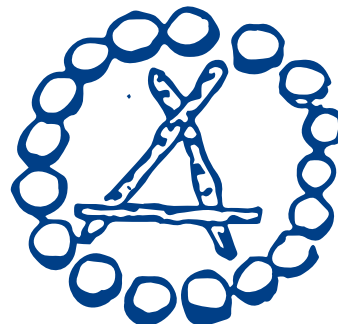

Mini marshmallows, or other candies to build an outlining rock boundary.

Don't forget your fire bucket
- small cup of juice or water.

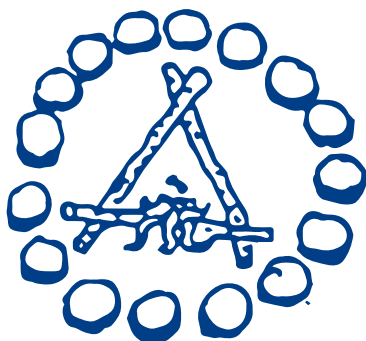

Foundation

Use 3 pretzel sticks, or a similar snack to represent large logs for the fire frame.

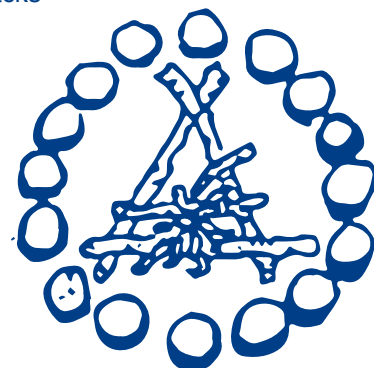

Tinder

Include small pretzel pieces, or other crumbly snacks to represent dry leaves, or wood shavings.

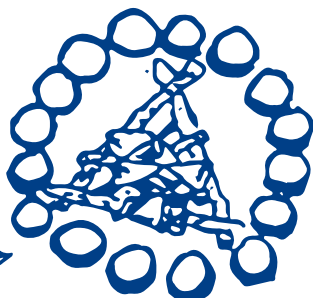

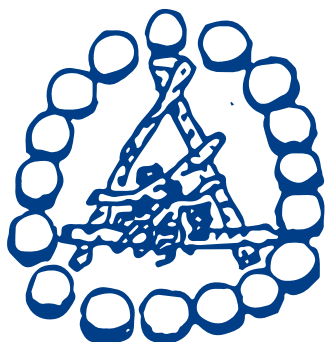

Kindling

Add broken middle-sized pretzel sticks, or a similar snack for the thin wood needed.

Alternative Fuel

Have raisins, licorice sticks, or something similar to add to represent charcoal needed for cooking, instead of large logs. Carrots, celery sticks, or pretzel sticks can be used to represent large logs.

Flame

Candy corn or Red Hots are placed on top to represent a successful fire.

NOW IT CAN BE CONSUMED!

BE PREPARED - SCOUTING IS THE ADVENTURE OF A LIFETIME!

Scouting builds positive character in young people and prepares them for life. There are merit badges across practically any field of study where your child can explore the world and find their passions. It's fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life.
